Frequently Asked Questions

Can I customise my package?

Absolutely. Enhance your package with optional extras including draping, floral clouds, chandeliers, lanterns, signage, table runners and more.

How are the packages priced?

Packages are priced in guest number bands and rounded up to the next package size (e.g. 43 guests = 50 guest package, 67 guests = 70 guest package etc)

What table layouts are included?

Prices are based on standard round tables with approximately 10 guests per table. Weddings using long banquet tables or alternative layouts may require additional styling items, which will be quoted separately.

Does the package include venue styling?

Our packages are available on a hire basis, with the option to add our professional On the Day Dressing Service so you can relax and enjoy your morning.

What colour schemes are available?

Choose from our carefully curated collections:

- Ivory & White
- Blush, Pink & Ivory
- Blue & White
- Pastels - yellow, pink, peach, lilac, and blue
- Autumnal Reds & Burnt Oranges

Are the flowers real?

Our designs use luxury faux florals, chosen for their exceptional realism, quality and lasting beauty.

Looking for Something More Bespoke?

Our Hyde House packages have been thoughtfully designed to offer exceptional value using our most popular styling collections.

If you're looking for something completely unique, our Signature Styling Service offers a fully bespoke design experience. We'll work with you to create a wedding that's tailored entirely to your vision, with any colour palette, floral style or design concept.

Whether your style is timeless, romantic, modern or completely bespoke, we'll create a proposal that's uniquely yours. Get in touch to arrange your complimentary design consultation.
